

**«CHILDREN IN KIBERA
ARE AFRAID OF THE RAIN.
NOT BECAUSE
IT MAKES IT DIFFICULT
TO WALK THROUGH
THE PATHWAYS.
BUT BECAUSE THE NOISE,
MAKES IT DIFFICULT
TO HEAR
THEIR SCREAMING.
6 OUT OF 10 YOUNG GIRLS
ARE SYSTEMATICALLY RAPED
BEFORE THEY REACH
PUBERTY».**

TEACHER AT ST. GEORGE ELEMENTARY SCHOOL, KIBERA.

The 'Sophia Foundation for Children', was created by a group of Cypriot volunteers when they were faced with the horrifying living conditions of the slums in Kibera in Kenya. They realised that something had to be done, when they saw with their own eyes innocent children dying hopelessly. Specific action that would actually improve these horrifying conditions needed to be taken because the truth is that these children experience poverty, horror, desperation and sickness every single day. They experience things that innocent children should not have to endure even for a second! We are asking for your support to change the future of these innocent children as much as possible. To change their daily routine. To give them hope to continue living.

With only €20 per month you can adopt a child and ensure his future.
